

The Agreement between you and your veterinary practice

Welcome to your payment plan from your veterinary practice. The agreement you have with your practice means you can enjoy the benefits of preventive healthcare for your pet(s).

Your payment plan is administered by Premier Vet Alliance for and on behalf of your veterinary practice. Premier Vet Alliance's role is to provide administrative services to support the contract between you and your practice. This includes passing your payments onto your practice on a regular basis. Please remember, your Contract is between you and your specified veterinary practice and is not transferable to another. However, if you are considering changing your practice please contact Premier Vet Alliance who will advise you on how to re-register, ensuring your pet's health is not compromised.

The following points make up the 'terms and conditions' of your Contract with your veterinary practice and are effective from 1st May 2019. These are very important and we strongly advise that you read through them carefully, and keep them in a safe place, so that you can refer to them in the future, should you wish to. These terms and conditions should be read in conjunction with your practice's leaflet. Any practice-specific notes or requirements in the leaflet will form part of these terms and conditions. In the event of a conflict, these Agreement terms will prevail.

1. Explanation of terms used

In this Agreement, 'your Contract' means the contract formed between you and your veterinary practice which you have signed and which comprises these terms and conditions, your Application Form and your practice's leaflet and any practice specific notes; and 'your veterinary practice' and 'your practice' means the veterinary practice named on the Application Form.

2. Plans, categories and fees

The cost, content and delivery of the goods and services paid for by your Contract are set by your practice. There is no insured benefit under your Contract. PLEASE NOTE THAT YOUR CONTRACT IS NOT AN INSURANCE POLICY.

3. Treatment to which you are entitled

Your Contract entitles your pet to receive routine treatment required to maintain your pet's health, as prescribed by your veterinary practice. A list of inclusions is available from your practice.

4. Treatment to which you are not entitled

Your Contract is limited to the provision of routine preventive health care specified in the practice's leaflet and only entitles your pet to the treatment required to maintain its health, as specified by your practice.

5. Treatment by another veterinary practice

Your Contract is with your practice. Where you choose for your pet to have routine care or treatment provided by a practitioner independently of your practice, your pet will not be covered by your Contract.

6. Payment

You must pay your initial joining fee to Premier Vet Alliance, which covers you for life, and your monthly fee by Direct Debit in favour of Premier Vet Alliance as Facilities Management provider for your practice. Any other amounts due to your practice for treatment not covered by your Contract are payable directly to your practice. Your liability to pay the monthly fee continues until your Contract is ended in accordance with these terms and conditions and no refund of fees will be allowed except in the case of administrative error or death of the pet or client. Your practice may choose to use the Pay.UK bulk direct debit transfer process to move your direct debit to another Facilities Management provider. Transferring direct debits using this process does not require your consent.

7. Alteration of monthly fees and categories

Your practice will normally review your pet's monthly fee once a year. Your pet's monthly fee will also change as different age and weight thresholds are reached. Should your pet's fees change, you will be given at least one month's written notice.

8. Direct Debit changes

Following a decrease in monthly fee or variation in discount available to you, your Direct Debit will be changed at the next available collection date. Where you are given notice of an increase in your monthly fee, your Direct Debit will be changed at the end of the notice period, unless in the meantime you end your Contract. If you need to change your bank details or any collection dates please contact us 10 working days prior to the due date for collection and we will make the change without charge.

9. Renewal

Annual contract

If your Contract is an annual contract it will be automatically renewed by us at the end of your Contract year, subject to a charge of 1.50 which will be collected via your Direct Debit payments. If you do not want to renew your Contract for a further year then you must provide us with not less than 21 days' notice prior to the end of your Contract year.

Monthly contract

If your Contract is a monthly contract, no renewal fee will apply and your Contract will continue from month to month until it is ended and we will continue to collect your monthly payment until your Contract is ended.

10. Your responsibilities

You are responsible for ensuring your pet(s) attend(s) the practice regularly and that you comply with the advice and treatment your veterinary practice prescribes for your pet(s). If, in the reasonable opinion of your practice, they are not able to maintain your pet's health due to any act or omission on your part, your practice may end your Contract immediately by giving notice to that effect. If your personal details change or your pet is lost or deceased, you should notify your practice and Premier Vet Alliance.

11. Ending your Contract

You may cancel your Contract by contacting Premier Vet Alliance or your practice giving not less than 21 days' notice, expiring on the last day for which payment has been made. The practice may end your Contract by giving you written notice expiring on the last day of a month, after not less than one month's notice. If you cancel at any time other than on an anniversary of joining the plan, your practice may charge you either the outstanding amount for treatment received, or the monthly payments due until the anniversary of your plan, whichever is lower.

12. Non-payment

If we are unable to collect your monthly payment we will inform you accordingly and attempt to collect the payment from your account within 10 days. You will be charged a 10 administration fee if any of your Direct Debit instalments is returned to us unpaid. Your Contract will be terminated if you default on 3 successive payments.

13. Refunds

If Premier Vet Alliance (acting on behalf of your practice) agrees to refund your fees for whatever reason, your registration for those months will be treated as unpaid and the conditions relating to non-payment will fully apply to you.

14. Variation of these terms and conditions

The terms and conditions of your Contract may be varied on one month's written notice given to you by us. If you do not wish the Contract to continue having regard to any variation notified to you, you may end it as detailed in condition 11. If you do not do this by the time the notice expires, you will be deemed to have accepted the variation.

15. Contract not transferable

As your Contract is between you and your practice alone, you may not transfer it to another practice. If you need to change to another participating practice, a new contract will be required and the monthly fees may be different.

16. Treatment outside of your Contract

Your Contract does not prevent you and your practice agreeing that they will provide treatment outside your entitlement under your Contract. You will be responsible for paying for such treatment directly to your practice.

17. Liability

Our role is to provide administration services relating to your Payment Plan on behalf of your practice, specifically registering and collecting your payments. As such we accept no liability to you (whether in respect of negligence, breach of contract, defective or unsatisfactory treatment, or otherwise) in connection with your Payment Plan or any goods or services provided under it to you by your practice. We have no obligation to pay your practice any monies not received from you, even if treatment has been received.

18. Disputes

If you are unhappy with any aspect of your pet's veterinary care, you should approach your practice directly. Should you have any disputes regarding direct debit collections, you should contact Premier Vet Alliance.

19. Notices

Any notice given to you by your practice under these terms and conditions is considered valid if Premier Vet Alliance gives it to you on your practice's behalf. Any notice given by your practice or Premier Vet Alliance is valid if sent to your last known address by ordinary post.
